

MINOT CAMERA CLUB MONTHLY COMPETITION GUIDELINES

1. Divide photos into 3 categories according to the member info. on the competition form on the back of the mounted photo
 1. Color Prints
 2. Black and White Prints
 3. Digitally Enhanced or Manipulated
2. Assign a number (in order) to each photo in each category beginning with no. 1, and record it on the ENTRY NO. on the competition form on the back of each photo.
3. Record Member Number and Title of photo on the judges form for each category. This can be done either on a copy of the form, or on the digital file that is on the CD enclosed.
4. When stacking the photos in the suitcase, please stack them "picture to picture" and "back to back" to prevent hangers from scratching other pics., ink smearing on the pics, etc.
5. Make sure to fill out the competition category, date, your name and phone number on the JUDGES INSTRUCTION sheet, and give it to your judge along with the photos, so they know when to attend our meeting and go over the results with us.
*Also make sure your judge has the description of the category from our club.
6. MAKE SURE your judge is aware that we want them to come to the meeting to go through each photo's critiques.

PLEASE make sure there are copies of the forms and the CD are in the suitcase, so it is ready for the next chairperson.

Jean Stieg is our Competition Chairperson, please call her at 838-6536 if you have any questions.
